Anchor Adds More GM Coverage

Anchor Industries, a respected manufacturer in the automotive aftermarket since 1933, continues to lead the market in late model coverage. We remain vigilant in our commitment to be the industry leader for all makes and models, including, domestic, Asian and European applications.

This month we focus on **10 New GM numbers** that have been recently added. These numbers fit many of the most popular late model vehicles on the road today, accounting for **over 3,376,940 applications**. (based on IHS/Polk data)

Make sure you're not missing out on these sales opportunities.
