

# Experience the Anchor Difference

January, 2023

## Anchor Adds More Toyota and Lexus Coverage

Since 1933, Anchor Industries has supported the automotive aftermarket with industry leading coverage, quality, data and availability. As Anchor celebrates its 90th year, the focus remains on a commitment to delivering exceptional value, exceeding customer expectations and being best in class.

With a newly redesigned monthly newsletter, this month highlights first to market late model Toyota and Lexus coverage. These eight part numbers represent a small sampling of many of the late model, first to market part numbers that are in stock and available for immediate delivery. Covering 1,815,530 applications and model years 2016-2023, these part numbers represent excellent sales opportunities.

**MAKE SURE YOU'RE NOT MISSING OUT ON THESE SALES OPPORTUNITIES.**
