

# Experience the Anchor Difference

May, 2023

## Anchor Adds More Nissan Coverage

Since 1933, Anchor Industries has supported the automotive aftermarket with industry leading coverage, quality, data and availability. As Anchor celebrates its 90th year, the focus remains on a commitment to delivering exceptional value, exceeding customer expectations and being best in class.

This month highlights first to market late model Nissan coverage. These eight part numbers represent a small sampling of many of the late model, first to market part numbers that are in stock and available for immediate delivery. Covering over 1,864,170 applications and model years 2019-2024, these part numbers represent excellent sales opportunities.
