2024

YEAR IN REVIEW

In 2024, Anchor Industries achieved another milestone with the launch of 107 high VIO part numbers, covering over 30,211,120 applications through model year 2025.

Anchor remains a leader in the industry, consistently expanding its portfolio with new offerings designed to fit domestic, European, and Asian vehicle platforms. Through its unwavering commitment to new SKU development, Anchor provides its supply chain partners with unmatched market coverage, superior availability, and first-to-market sales opportunities.

For more details on our complete program availability, please contact your local sales representative or call our customer service department at the number below.
