

# *Experience the Anchor Difference*

*Industry-Leading Availability & Coverage Since 1933*

MAY, 2025

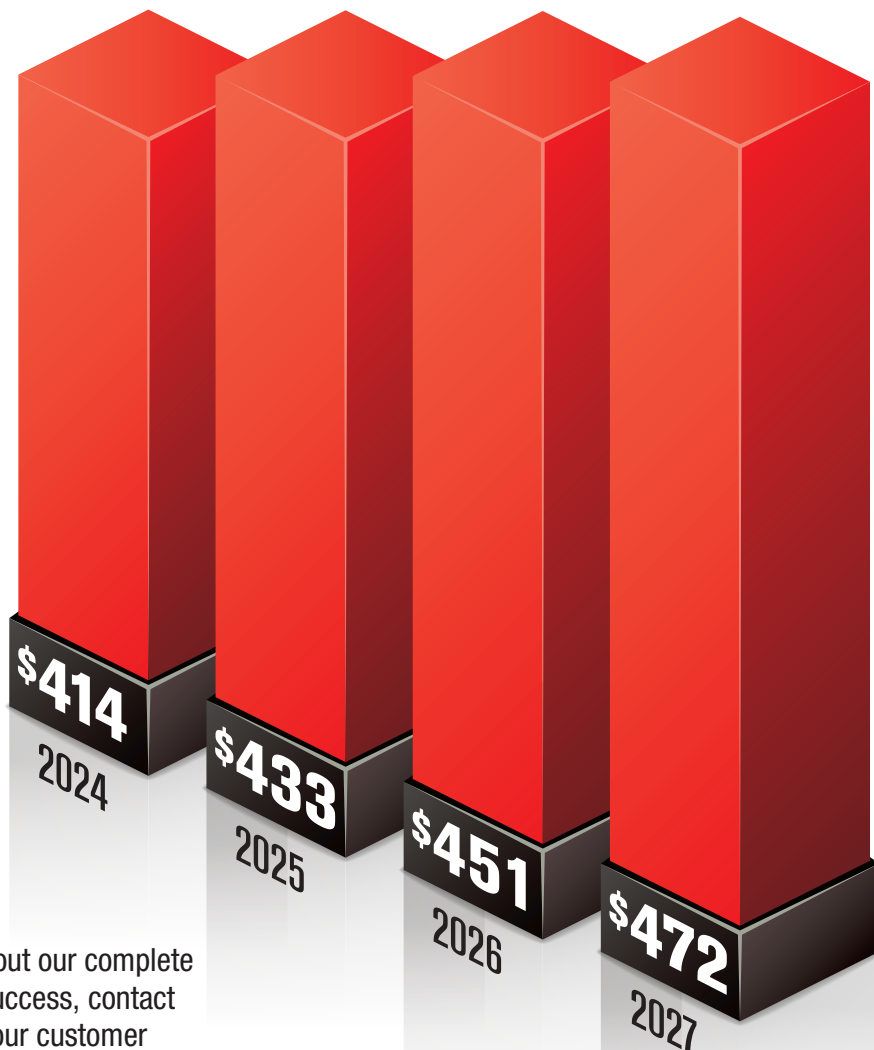

## **\$58 Billion Growth Opportunity** in Aftermarket Parts & Service by 2027 **ARE YOU POSITIONED TO CAPTURE YOUR SHARE?**

According to MEMA, the U.S. automotive aftermarket parts and service industry is projected to reach **\$472 billion annually by 2027**, representing a **\$58 billion increase** from 2024. A substantial portion of this growth will come from replacement part sales - **including engine and transmission mounts**.

To take full advantage of this opportunity, having the **right coverage and availability** has never been more important.

Since 1933, Anchor Industries has been a trusted manufacturer of engine and transmission mounts. As the market leader in this category, let us help you grow your business with our industry leading coverage and availability. Stocking late model, high growth part numbers in the brand installers know and trust positions you to capture growing aftermarket demand.

We're here to help you grow. To learn more about our complete program and how we can support your sales success, contact your local sales representative or reach out to our customer service team directly at the number below.
